

TOKYO GLOBAL INNOVATION CHALLENGE

This event is supported by Tokyo Metropolitan Government Grant-in-aid
(Project to Support the Creation of University-based Start-ups)

Prizes Over
¥1,000,000

Go Beyond Boundaries – Break through your own limits –

This contest is where curiosity meets the power of entrepreneurship—a platform to unleash your talent and create game-changing business models that matter.

Go Beyond Boundaries—
Break through your limits, transcend disciplines, and cross borders.
Ready to take on any challenge that can change the world?

Eligible Applicants

- Teams consisting of 3 to 6 members who are undergraduate or graduate students (including international students) from universities in Japan or abroad.
- Team can be formed as:
 - ① Mixed international and Japanese members
 - ② Japanese-only
 - ③ International-only
